

**PLEASE TAKE NOTICE that
DISPOSAL of electronic devices will END on January 31st, 2018.**

The container at the Transfer Station for electronic devices will be REMOVED. The company wanted to charge every month for the box and we are not generating enough revenue for the disposal of electronics to cover the cost of the container charge. So, if you have any to get rid of, please do it within the month of January. I understand Silver Bay Association does an electronic disposal day (when you can take your old electronics and dispose of them) one day during the summer. I am working on obtaining more information on this and will pass it on as soon as acquire it.

Sincerely,

Diane Trudeau
Secretary to the Supervisor
