Instructions for Application for Land Use Development Zoning Compliance Certificate

Zoning Enforcement Office
Town of Hague
PO Box 509
Hague, NY 12836
(518) 543-6161

General Information

The issuance of a Land Use Development Zoning Compliance Certificate is required for any land use or development within the Town of Hague. This includes the construction or alteration of any building or structure, fence or sign. This application is intended to provide sufficient information to the Zoning Enforcement Officer to allow issuance of this Certificate. Depending upon the scope of the request the process may require additional permit, reviews and/or public hearings.

Applicants are encouraged to discuss the proposed project the Zoning Enforcement Officer prior to submitting applications. This will permit the applicant to understand the specific information required and the procedures to be followed.

Instructions

1. This application must be completely filled in by typewriter or ink and submitted to the above address with the appropriate fee (\$30.00). Checks should be made out to Town of Hague.
2. This application must be accompanied by:
 - a. Plot plan drawn to scale showing:
 - i. Location of existing and proposed structure(s) and setback dimensions from property lines, lake and streams.
 - ii. Location of wastewater facilities and water supply
 - b. Plan sheets showing floor plans (existing and proposed) and elevation views of proposed structure, including exterior dimensions
3. Following submission of this application, the Zoning Enforcement Officer will determine if a site plan review and/or zoning variance will be required. If proposed project does not conform to the attached criteria, the Zoning Enforcement Officer must deny the permit at which time the applicant may apply to the Zoning Board of Appeals for a variance. Variances for wastewater proposals must be presented to the Town Board for approval.
4. Zoning Compliance Certificate will not be issued until:
 - a. Wastewater Treatment System Permit has been approved
 - b. Copy of Storm Water Management Permit as submitted to Lake George Park Commission is provided
 - c. Site Plan has been reviewed and approved by Planning Board (if required)
 - d. Variance request has been approved by Zoning Board of Appeals (if required)
5. **Proposed work must be completed within two years of issuance of the Zoning Compliance Certificate.** Any proposed changes to the exterior dimensions, number of bedrooms, or location of buildings or wastewater disposal system must be submitted in the form of a request for permit modification for approval to the Zoning Enforcement Officer.
6. Additional information is available in the Hague Zoning Code which can be accessed from the Town website, www.townofhague.org
7. **It is the responsibility of the applicant to obtain a Warren County Building and Occupancy Permit, Lake George Park Commission Storm Water Permit and Adirondack Park Agency permit as may be required**
