Board of Education School Vote:

- The Committee welcomed Donna Wotten and Tom Jebb to our meeting and congratulated them on winning election to the Board of Education (BOE).
- Discussion about SAC objectives and BOE coordination.

Action Item – Plan for July 9th BOE Meeting:

- Resolution # 79 of 2024 dated 11 June 2024 requests BOE to use full value of Ticonderoga energy projects in apportionment of 2024-2025 school tax levy between Ticonderoga and Hague ... as well as using multi-year assessment averaging (MYAA).
- Draft Cover Letter transmitting Resolution to Scott nephew and Mark Russell was discussed, edited and finalized.
- Committee discussed the nature of the Pilot agreements for Ti energy projects, fully included in apportionment.
- For the July 9th BOE Meeting it was concluded that Hague would probably not get on the Agenda and, therefore, would need to make a very brief presentation during the Public Participation sections. After significant discussion, it was agreed that Josh would be the best presenter.
- A script will be developed around
Introduction, Cooperation and Collaboration, Averaging is Good for All,
Fully Included Energy Projects, and Hague Still Pays >50%

The next School Advisory Committee meeting is scheduled for June 27th at 10:00 AM.
