Absent: Amanda Peterson

Recording Secretary: Desiree LaPointe

Pledge of Allegiance was led by Jack Bast

Agenda:

Minutes were approved from the March 7th, 2024 meeting.

Preparation continued on Multi-Year Assessment Averaging for the March 19th, 2024 Ticonderoga Central School Board of Education meeting. To be held at the Ticonderoga High School Cafeteria at 6:00PM.

The primary agenda focused on the implementation of Multi-Year Assessment Averaging as a method to be used in the 2024-2025 school tax levy and apportionment process. The board engaged in a thorough review and discussion on Josh's presentation approach. Josh rehearsed the presentation in front of the board, incorporating feedback and suggestions. The board collaborated to finalize presentation, ensuring clarity and effectiveness in conveying key information.

Beth took the initiative to assemble folders containing relevant documents and materials for the Ticonderoga School Board, ensuring that all necessary information was organized and accessible

It was decided that Amanda would post a "Save the Date" announcement on Facebook and The Hague website to inform Hague resident about the upcoming meeting and presentation on Multi-Year Assessment Averaging.

The next meeting was scheduled for **Monday, March 18th at 10:00 AM** to make final preparations for the presentation. Attendees were encouraged to review materials and prepare any additional input or questions for discussion.

Respectfully submitted,

Desiree La Pointe
