Applicants for a short term Rental Permit need to contact Warren County Building Code Department to have a Fire Safety Inspection. This will provide you with the maximum number of Occupants allowed in your rental unit. The County Building Code number is 518-761-6542. Their inspection fee is made payable to them, NOT to the Town of Hague.

Checks for the Permit fee, which is \$300.00 for three (3) years, should be made out to the **Town of Hague**.

Please enclose ALL required paper work as outlined in the Town Ordinance, for your Permit.

Thank you for your attention.
