

Statement from the Supervisor

June 5, 2020

Just a brief message to the Residents of the Town. I want to thank everyone that has been supportive during this difficult time. It has been a great strain on everyone, for one reason or another. We have tried our utmost to continue the work of the town while maintaining the ever changing guidelines.

I want to let you know about changes and /or cancellations due to Covid-19 and the stringent guidelines that we must follow. It was not our wish and we, like you, are doing the best we can in these trying times. That being said I hope you will find the following information helpful:

FIREWORKS have been MOVED to Saturday Sept.5, 2020

Music in the Park has been CANCELLED.

The Hague Park is OPEN, but the beach is CLOSED.

The OPEN SWIM in August has been cancelled.

**The Boat Launch is OPEN
(Check website for the schedule)**

We will not have Silver Camp the Children's summer program at SBA.

(What a loss-it was so beneficial to our kids, but you can't have a camp with no counselors)
